

FLEX UP[®]

Fact Sheet

Powerful, glare-free light for well-being and productivity

Flexible USB-C charging:
Via Homebase or directly on the lamp

Intuitive and individual control of light intensity and light color

LUCTRA® FLEX UP® - PORTABLE FLOOR LAMP

Light

The perfect glare-free light, approx. 1,000 lumens, can be precisely adjusted thanks to the high-quality joints.

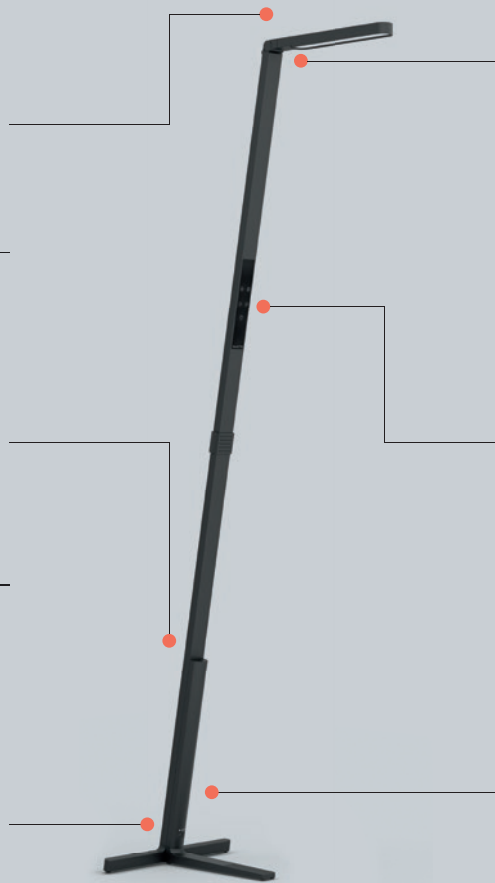

Battery

The powerful, replaceable battery provides up to 60 hours of light and fully recharges in just 4 hours.

Homebase

With the compact charging homebase, FLEX UP® can be placed freely anywhere in the room. Without the homebase, the lamp can be easily leaned against a wall or desk.

Surface protection

The double integrated leaning guard protects surfaces from scratches and prevents accidental slipping.

Handling

The brightness and light colour (2,700–6,500 K) can be adjusted continuously or in five steps via the touch panel with the sophisticated LUCTRA® operating concept.

Charging

With two charging options, there are no limits. FLEX UP® can be charged via Homebase or directly with a USB-C cable.

Portable designer floor lamp for modern, flexible working environments

Ideal lighting everywhere – for focused work and relaxed breaks

- Rotatable lamp head for precise direct or indirect light alignment
- Fast charging function – fully charged in just 4 hours
- Over 400 days of standby time for ready use at any time
- Free-standing or elegantly leaning against a wall or table
