

Cost-effective maintenance of virtually all floors

FM400 D offers the choice of either 185 or 370 rpm for easy, efficient and cost-effective maintenance of virtually all floors. Built for standard and medium-duty use, this unit handles scrubbing as well as high-speed spray cleaning or polishing.

Moreover we improved ergonomomy in handling, balance and transportation, thus adding special features like: cable hook, plug holder, longer cable, common accessories, improved serviceability. Offset deck is just 12cm tall in order to clean under furnitures and radiators.

Dual speed single disc.

- Price competitive: Nilfisk quality and performance for less money
- High performance: Powerful scrubbing or polishing
- Common design: Recognized Nilfisk design signals cost savings and easy handling
- Common accessories: No complexity and easy to operate
- Improved features: Cable hook for the operator, big wheels, easy cable storage, ergonomic handle and improved safety
- A complete range of optional accessories to suit specific tasks
