Breathable and comfortable 15-gauge all-round glove dipped in nitrile foam. The glove's comfortable nylon and spandex liner makes it comfortable to wear for a long time. It offers a good grip and abrasion resistance.

Suitable for: Precision work, assembly, distribution, property management, packing and logistics.

- Good grip in dry, wet and oily environments.
- Moisture repellent and breathable.
- Seamless with excellent fit.

Size: 6-12

Liner: 98% Nylon, 2% Spandex

Coating: Foam nitrile

The product meets the requirements for CE marking.

CAT II
